

EXCEED EXPECTATIONS IN ROOT CANAL THERAPY:

TECHNOLOGY INTEGRATION FOR A PREDICTABLE, PROFITABLE, AND PATIENT CENTRIC PRACTICE

Sound Science[®]
ACADEMY

INTENDED AUDIENCE

Endodontists interested in learning about new technology including the GentleWave[®] System.

COURSE OVERVIEW

As new technology emerges in dentistry, questions arise for the modern endodontist: what kind of impact would this technology have on my patients, my team, and my practice? This course will answer these questions and help you gain an understanding of the latest peer-proven technologies in the endodontic space today. Hear from clinicians who have leveraged technology to impact the patient experience, create a more predictable root canal procedure, and maximize profitability for their practice – without adding unnecessary complexity to their routine.

COURSE OBJECTIVES

- Examine the GentleWave System Mechanism Of Action and the science behind its safety
- Discuss opportunities for creating a more predictable and simplified workflow through use of technological advances such as the GentleWave System
- Review the return on investment and related practice management techniques with the GentleWave System, to include scheduling, billing, and marketing
- Apply learnings in a hands-on clinical lab with instructor oversight

COURSE INSTRUCTORS

Adam Davis
DDS, MSD

Jonathan Uhles
DDS, MDS

SATURDAY, JUNE 22, 2024

CUMBERLAND ENDODONTICS

878 North Mount Juliet Road
Mt. Juliet, TN 37122

Join us for a post course networking dinner. Please RSVP for the dinner on your registration link located below.

SATURDAY, JUNE 22, 2024 | LIVE

Didactic Session: 8:00AM – 12:30PM CST

Live Demo & Hands-On Lab: 1:30PM – 4:00PM CST

Course Fee: \$795

Early Bird Pricing: \$400 If registered by 05/01/24

CE Credits Offered: 7 CEs

Maximum Attendees: 12

COURSE INSTRUCTORS

Adam Davis
DDS, MSD

Dr. Adam Davis attended the University of Tennessee College of Dentistry, graduating in 2001. He spent five years serving as a general dentist in the US Navy. After fulfilling his active duty commitment, Dr. Davis entered the Endodontic Residency Program at Virginia Commonwealth University in Richmond, Virginia. He received his Certificate in Endodontics in June of 2008. In July 2008, Dr. Davis opened Cumberland Endodontics with the goal of providing residents in the Greater Nashville area with the finest endodontic care available. Cumberland Endodontics has since expanded to three locations as well as added additional doctors to the practice.

Jonathan Uhles
DDS, MDS

Dr. Jonathan Uhles is a partner in a multi-location endodontic practice outside Nashville, Tennessee and maintains a part-time appointment as Assistant Professor in the Department of Endodontics at the University of Tennessee Health Science Center (UTHSC) College of Dentistry in Memphis. Dr. Uhles received his DDS, endodontic certificate and MDS from UTHSC College of Dentistry in 2011 and 2014 respectively. He has received numerous awards, including the American Association of Endodontists Student Achievement Award, the American Academy of Oral and Maxillofacial Radiology Achievement Award, induction into the IMHOTEP Society, AAE/Dentistry Poster Award, was the recipient of the Dr. John T. McSpadden Spirit of Service Award and has had his research published in the Journal of Endodontics.
